University Jan 2021 - Present
Namibia University of Science and Technology, Windhoek

Extracurricular activities

Programmers Clan Leader Apr 2023 - Present
Muhoko Society, Windhoek
I am responsible for organizing clan activities and leading the projects we take on as a clan.

Co-Founder Present
Skill Lync, Windhoek
I am the lead and only web developer for Skill Lync. Skill Lync is a small start up that my partners and I created to help unemployed youth in Namibia, get temporary employment. So far we have a high fidelity prototype. Production on a fully functional site is underway, and we aim to launch in October of 2023.

Courses

Bachelor of Computer Science NQF: 7 Present
Through out the process of trying to earn my degree, I have gained a comprehensive skill set that includes programming, algorithms, data structures, computer architecture, software engineering, problem-solving, mathematics, and effective communication. I'm eager to apply this knowledge and contribute to solving complex challenges in the field of computer science.

Achievements

1. 1st Place in 2023 ImpactLab Hackathon
2. 2nd Place in 2023 GDSC Designathon
