Otjikoto S.S.S, Tsumeb

University Jan 2021 - Present
Namibia University of Science and Technology, Windhoek

Extracurricular activities

Programmers Clan Leader Apr 2023 - Present
Muhoko Society, Windhoek
I am responsible for organizing clan activities and leading the projects we as a clan take on.

Courses

Bachelor of Computer Science NQF: 7 Present
Through out the process of trying to earn my degree, I have gained a comprehensive skill set that includes programming, algorithms, data structures, computer architecture, software engineering, problem-solving, mathematics, and effective communication. I'm eager to apply this knowledge and contribute to solving complex challenges in the field of computer science.

Achievements

I took part in an Impact Lab hackathon where I was randomly placed into a team. We subsequently won 1st place in the hackathon. My Team and I have been featured in a news paper article for creating an innovative solution to youth unemployment in Namibia.
